

Pimento Peppers

Gorgeous cheese-type sweet pepper, ripening from green to red. The fruits are round, oblate, and stylishly ribbed—so pretty in the garden or on your table! Thick walled, crisp and juicy fruits keep an extraordinarily long time when refrigerated.

Transplant out after frost when the soil is warm and weather is settled. Ideal seedlings have buds, but no open flowers. Set plants 12-18" apart in rows 24-36" apart, or 2 rows on poly/paper mulch, 18" between plants. Water-in transplants using a high phosphorus solution.
