

Red Marconi Peppers

A late Italian pepper that yields big 7-inch long tapering fruit; very sweet and great for frying or fresh! Described as very sweet and great in salads, sausage & peppers dishes, stir frys, or on pizza.

Transplant out after frost when the soil is warm and weather is settled. Ideal seedlings have buds, but no open flowers. Set plants 12-18" apart in rows 24-36" apart, or 2 rows on poly/paper mulch, 18" between plants. Water-in transplants using a high phosphorus solution.
